Roc O'Lena (Imp)
Amaroos Rock N Return
Echo Return

D: Rosevale Hollyrock

Fighting Fox (Imp)
Rosevale Fox's Model
Rosevale Kyamba

Galaxy is a classy, quiet type of mare. This is a mature mare who has done plenty of mustering miles, seen plenty of cattle and has been fine-tuned on the mechanical cow.

Galaxy is the first and only daughter of Hollyrock offered for sale by auction. Galaxy has nearly identical breeding to Greenup Double-Up (see previous page) who was one of the most exciting mares we've bred and trained. Double-Up was sold privately for \$25,000 to G & J McKenzie. Her older full sister, Venus has been retained for competition. Double Trouble's dam is Lena Pepperina, the outstanding performance dam of Lenal's Lethal (see previous page).

Galaxy is bred and trained by Rick Greenup. A mature mare with a kind nature that will suit the juvenile campdrafter, lady or male rider - a horse for the whole family. With plenty of stock work and mustering under her belt, she is ready to perform. Galaxy will compete at Bell Campdraft in August.

D: Rosevale Fox's Model

Flappers Breeze (Imp)
Rosevale Kyamba
Jindalee

By the athletic and cowey Greenup Double Trouble, this is a quiet free-moving mare with plenty of leg under her, ideal for covering distances and riders looking for that rare combination of Quarterhorse temperament with a thoroughbred build, great length of rein and height.

Double Trouble's dam is Lena Pepperina, the outstanding performance dam of Lenal's Lethal (see previous page)

Fox's Model was a top class brood mare at Rosevale and was bred at Cardowan. Fashion Model was bred and trained by Rick Greenup.

This mare has done plenty of stockwork at Eidsvold and Cardowan and has been trained on the mechanical cow. Fashion Model will have her first start at Bell Campdraft in August.

She is ready to have fun on - whatever your chosen horse sport.
