# 136 Bulls

Extraordinary results are a product of consistency, standards and discipline. Our focussed and balanced approach to breeding has ensured the 2024 sale team is our most even line of bulls ever.

Ranked top 20-25% for growth, this draft of slick-coated, explosive growth bulls from a fertile cow herd, is testimony that the right genetics can provide weight for age, easy finishing, with fertility and desirable breed characteristics.

**This year we are offering 136 Santa Gertrudis Bulls at our annual bull sale consisting of 123 poll/poll scur, including 36 Homozygous Poll, and 96 Classified 'S' bulls.**

The sale will be held on-property at 'Belvedere', Eidsvold and interfaced with Auctions Plus.

We hope to see you at the sale and wish you all the best for the season and beyond.

Hundreds of Greenup Eidsvold Station bulls are thriving across the arid rangelands of Central and Northern Australia, Queensland's Gulf Country and into the fertile Downs country of Central and Southern Queensland.

Boosting the bottom line with:

**Bulls that last longer**  
**Market desirability**  
**Fertile cow herd**  
**More weight**  
**More profit**
